

The Piper logo features a stylized black triangle above the word "Piper" in a bold, black, sans-serif font. The background of the entire page is a photograph of a Piper M350 aircraft flying over a mountain range at sunset. The aircraft is white with a red lower fuselage and is shown from a front-quarter perspective. The sky is filled with soft, colorful clouds, and the sun is low on the horizon, creating a warm glow. The mountains below are layered and hazy, adding depth to the scene.
